

Software Developer (m/f) "User Experience / Interaction Design" for Augmented Reality Start-Up

We are currently looking for a fulltime Software Developer (m/f) with a strong background in User Experience and Interaction Design to support our Augmented Reality (AR) Start-Up in Hamburg. Our first product „PuttView“, an AR-application for golf practice, has already been launched successfully in the EU, US and Japan. Our dynamic team has relevant industry and sports experience.

We are looking for talents (m/f) who would like to take the high quality and usability of our product to the next level. Your main responsibility will be to champion the end user experience (UX) and be an advocate for quality at every turn.

Topics:

- Conceptualize, develop and implement improvements to the current UI/UX of our products
- Create User Flows, User Stories, Use Cases, and Wireframes in close collaboration with our Design Team / Development Team
- Implementation of new UI/UX Modules using Unity3D for PuttView Indoor (Spatial Augmented Reality) and Outdoor (Microsoft HoloLens)
- Establish Best Practices for UI, UX and Interaction Design throughout our team. Ensure a state-of-the-art, reliable, consistent user experience across all PuttView Software Modules, e.g. by developing and maintaining a UI pattern library
- Develop innovative interaction concepts for AR considering latest research and the unique requirements of our applications

Your Qualifications:

- Bachelor- or Master (m/f) in Computer Science or Software Engineering with a strong focus on Human-Computer-Interaction, Interaction Design, Usability or similar
- Experience in developing user interfaces using Unity3D incl. its C# Scripting API
- Experience in HoloLens or Android App development is a plus
- Passionate about creating visually appealing user interfaces with great usability
- Self-motivated and proactive to maintain momentum and progress
- Ability to develop own concepts and quickly learn new technologies

Our Offer:

- An exciting opportunity, where you can take on responsibility from the very beginning
- A powerful team with friendly, highly qualified colleagues
- Flexible working hours
- And much more...

Have we sparked your interest? Then please contact us with your application documents!
