

Working Student "Photography, Film and Motion Design" (m/f/d) for AR Start-up

We are currently looking for students (m/f/d) in "Photography, Film and Motion Design" to support our Augmented Reality (AR) Start-Up in Hamburg. Our first product „PuttView“, an AR-application for golf practice, is already successfully launched in the EU, US and Asia. Our dynamic team has relevant industry and sports experience.

We are looking for talents (m/f/d) who would like to contribute to the marketing of our innovative product. We will define the exact topic according to your qualification and interests.

Topics:

- Create eye-catching photos and videos for the marketing of our innovative product
- Develop and implement photography/film campaigns for marketing and product development
- Manage the post-production process and film editing
- Work in close collaboration with our marketing and design team to take our content, brand and product to the next level

Your Qualifications:

- Bachelor- or Master-Student (m/f/d) in Photography, Film, Motion Design, or equivalent
- Passionate about setting the scene for innovative products
- Good knowledge of common technical photography and video software and hardware
- Great communication skills in German and English
- Self-motivated and proactive to maintain momentum and progress

Our Offer:

- An exciting job, where you can take on responsibility and let your creativity run wild
- A powerful team with friendly, highly qualified colleagues
- Flexible working hours
- And much more...

Have we sparked your interest? Then please contact us with your application documents!
